# Combi Master

As essential  
and as versatile as a  
Swiss Army knife!

## ANOTHER DYNAMIC INNOVATION

With Combi Master,  
you get 7 **Dynamic**  
attachments, with only one  
motor block !

- Hand held mixer
- Master whip
- Whisk
- Dynacutter
- Complete VS Attachment
- Food Mill / Potato Ricer
- Emulsifying  
Dynaturbo

# The appliance that makes the **DYNAMIC** difference !

## New concept : one motor block but 7 attachments.

- **Mixer tool** with double seal and new cooling system.
- **A 5 litre / 1.5 gallon stainless steel/puree bowl** with 2 blades inverted for efficiency; optional serrated blade. The bowl has a watertight cover, and since it has no central well, it can easily be used for all food preparation and maximum capacity.

- **A VS attachment** where you can prepare food continuously. The slicing discs are double-bladed for more efficiency. This attachment comes with 2 slicing discs and 2 shredding discs. Also available dicing kit and julienne disc.
- **Master Whip FM90** will both mix and whip with ease resulting in ultimate product consistency. Ideal for mayonnaise, powder and flour based products such as batters and mashed potatoes. Support bracket adaptable.

## A good deal for your pocket !

- Interchangeable attachments,
- **Dynamic concept,**
- **Dynamic quality,**
- **Dynamic saving !**

**NEW**  
Waterproof  
reinforcement
